EARTH HOUR—IT'S COMING!

WWF's Earth Hour is an annual global celebration which brings millions of people across the world together to call for greater action on climate change. Each year, hundreds of millions of people around the world switch off their lights and organise events to show they care about the future of our planet.

This year's celebration will be on Saturday 24 March from 8:30—9:30pm. All you need to do is switch off your lights for that one hour.

It's a symbolic and spectacular lights out display with a big message—we want to protect the future of our planet.

POLICY REMINDER

Items of school uniform are left around school every day.

If items of clothing are not labelled it makes it difficult to trace them back to their owner.

Please ensure that your child's name is clearly shown on all items of school uniform.

Thank you.

Parent Sharing Time

It was great to see even more Parents, Grandparents and carers in school this week for our second week of Parent Sharing time. Sharing time is a wonderful opportunity to look at your child's work and discuss it with them. It gives you a great insight into what your child is doing in class and will enable you to support your child's learning. Please remember sharing time will take place every week from now through to the end of the academic year.

Tuesdays 2.45 - 3.15pm

Year 1, Year 3, Year 5

Wednesdays 2.45 - 3.15pm

Reception, Year 2, Year 4, Year 6

Although you are welcome to attend every week it is not necessary. to drop in each week or to stay for the full half hour: 10/15 minutes once or twice per half term is a great way to keep up to speed with your child's learning and progress in their work books.

Please note, teachers are not available to meet parents during these sessions and we will not be able to accommodate parent sharing time outside of these set times. We look forward to seeing you soon.
