Great to hear about our son's progress this year.

Really nice to meet my son's teacher properly as I've only really seen her at the end of school, as he's in the juniors now, you don't get that same opportunity to chat to class teachers like you do in the infants, so it was really good thank you. I felt the teacher was spot on with comments about my child and listened to my feedback too. Thanks very much!

The class teacher has really got to know our son and is really getting the best out of him. Very happy parents.
