Reception News

The children have had great fun this week with the story 'The tiger who came to tea'. They have been making yummy cakes in the playdough area, playing 'making tea' in the role play and writing afternoon tea invitations. The children loved the story and had some great ideas about what they would do if their favourite animals came to tea!

Phonics

Next week we will be beginning our Phonics sessions with the children. Phonic sessions happen every day at 9am and build up from 10 minutes teaching time daily. The children learn together during a whole class carpet session then they will practise their skills in small group activities. Soon the children will also take part in group reading session with an adult.

Next week you will receive a reading folder for your child with a sharing book in it and letter sounds that have been taught for practise at home.

More information will be sent out about reading next week on Evidence Me.

Reception Welcome Service

On Tuesday 4th October at 2pm the new Reception children and their families are invited to a Welcome Service at St. Oswald's Catholic Church. It will be a lovely opportunity for you to see the children together for the first time as a class. We are looking forward to seeing you there.

Can you help?

The children are starting to wear their wellies regularly for outdoor learning. To help your child with their independence skills, please give them opportunities to put their own school shoes on so that they are not upset when they at school and have to wait for an adult to help them. Also check that your child's shoes are labelled. Many of them have the same shoes so this will help with the confusion. Many thanks in advance.

A busy week in Reception
