

Reception News

Friday 4th November 2022

It has been a very spooky first week back in school for our Reception children! On Monday morning the children were so surprised to find that our home corner had turned into the house of the skeletons from the book 'Funnybones'. It has been a fun filled week learning to write letters in magic glitter and using pincer fingers (index finger and thumb) to rescue as many creepy spiders from our Autumn tray as possible with only just one minute to complete the mission. The children have also loved being creative making spiders and have thoroughly enjoyed listening to several spooky stories. What a brilliant start to the second half term!

Bonfire Night

At the end of the week, the children all took part in circle time to discuss how to be safe on Bonfire Night and had lots of sensible ideas to keep themselves and their families safe.

I can't wait to hear about the colourful fireworks many of them tell me they are going to see this weekend.

*Have a safe and enjoyable
Bonfire Night!*

Star of the Week

On Thursday the children in Reception all received Star of the Week from Miss Lennon in their first Celebration Assembly. They were all thrilled and very proud of themselves. They have had an amazing start at school and are loving school life.

All St. Oswald's staff are very proud of our wonderful Reception children and we congratulate them for their excellent start at school and receiving their first 'Star' certificate.

*Congratulations to
the superstars!*

EYFS Experiences

Playing in the
Funnybones house.

Making a skeleton
using sticks and
leaves.

Firework
painting!

Making firework
pictures on the
computer.
