

28th November-2nd December 2022

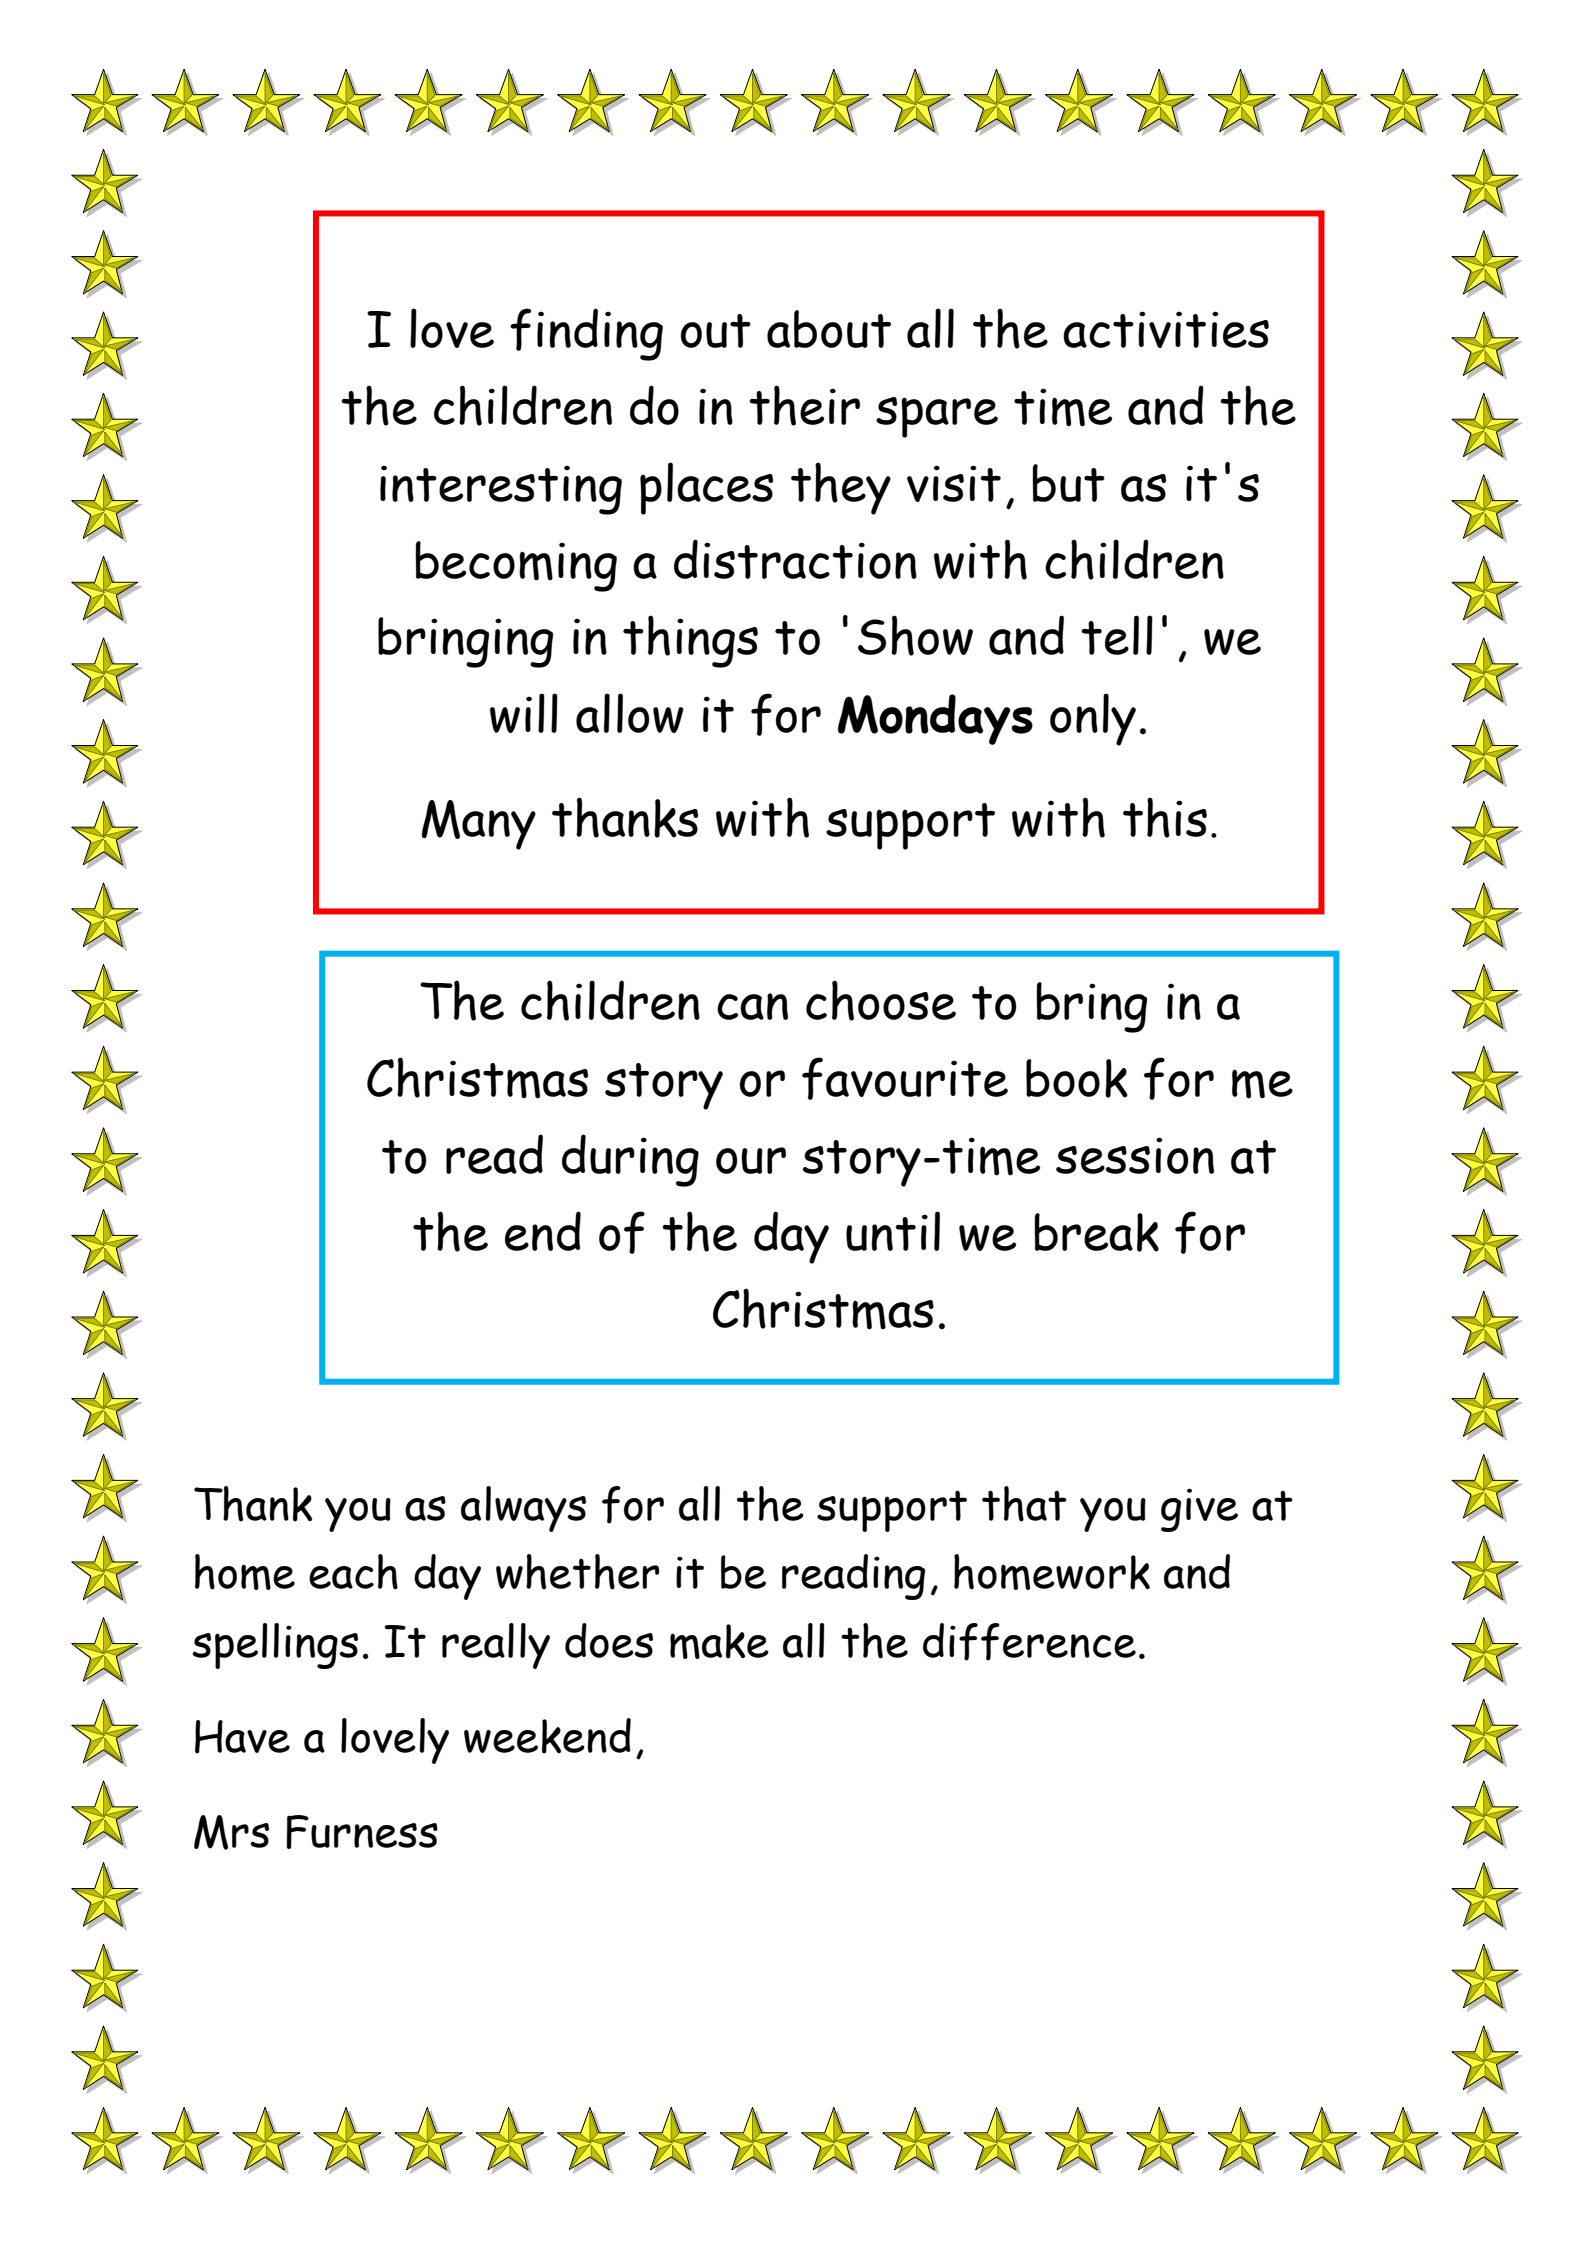

Dear Parents and children,

We have been decorating and getting the class ready for Advent. Eric the Elf arrived in class on Thursday to much excitement! He is a good elf and peeks at the children when they are working to make sure they are trying their best too!

Thank you for all the Nativity costumes that have been returned already. We are having a dress rehearsal on **Monday 12th December** so please let us know if you are struggling to find something for your child to wear.

The children have been reading '**Last stop on market Street**' in class and have been describing the characters in the story. They have been working hard to use their phonics knowledge to spell carefully. The children's writing is making lovely progress. Our class target is to form our letters correctly and they are working hard at this.

I love finding out about all the activities the children do in their spare time and the interesting places they visit, but as it's becoming a distraction with children bringing in things to 'Show and tell', we will allow it for **Mondays** only.

Many thanks with support with this.

The children can choose to bring in a Christmas story or favourite book for me to read during our story-time session at the end of the day until we break for Christmas.

Thank you as always for all the support that you give at home each day whether it be reading, homework and spellings. It really does make all the difference.

Have a lovely weekend,

Mrs Furness
