

# St Oswald's Year 2: Weekly Update

14th - 18th November 2022

Hello,

We've had an enjoyable week in Year 2 learning lots of new things as we dive deeper into our 'Touch the Future' Curriculum. Here are a few of the highlights!

## Anti-Bullying Week

This week the children were raising awareness of anti-bullying by wearing odd socks each day. They also did some activities about friendship and being good friends. Here the children are creating a collective art project about being united against bullying.

## Town VS Country

This week the children were comparing the differences between towns/cities and the countryside. The children were then asked which they would prefer to live in.

## Maths Week

This week we celebrated maths week. In one of the lessons the children came up with some ways that they could do maths in the outdoor environment. Some of them made shapes, other counted their times tables, while some made number sentences out of sticks.

## Balancing Act (PE)

The children enjoyed their PE focus day with our sports coach Matty. They were trying out different static balances.

## Signs and Symbols (RE)

This week the children focused on the candle that is given to people when they are baptised and what it represents.

aders

Ctrl + C, Ctrl + V, Ctrl + X (Computing)

It was copy, paste, repeat in computing as the children learnt how to copy and paste in computing this week.

A MASSIVE Congratulations to Cameron who was our star of the week this week. You are a superstar!

Thank you as always for all the support that you give at home each day whether it be reading, homework, spellings or going through Big Maths. It really does make all the difference.

All the best,

Mr Coppenhall
