

St Oswald's Year 2: Weekly Update

28th November - 2nd September 2022

Hello,

We've had an enjoyable week in Year 2 learning lots of new things as we dive deeper into our 'Touch the Future' Curriculum. Here are a few of the highlights!

Test of strength (D.T)

The children continued in their new DT topic this week and were testing the strongest shapes. They formed cuboids, triangular prisms, and cylinders out of paper and then tested how many books they could support before collapsing.

Problem solving in Maths

The children were using their problem solving skills in Maths this week to try and order numbers whilst only revealing some of them. They did a great job of working collaboratively and solving it together.

Balancing Volleyball (PE)

The children were using their balancing skills to play seated volleyball this week. They were all 'feeling the burn' in their stomachs after this muscle crunching game!

Whatever the weather (Science)

We had a lovely combination of art and science when the children created posters all about Charles Macintosh, the inventor of the macintosh! We have a lot to thank him for!

A special visitor

The children came into school on Thursday to find a special visitor had come to keep an eye on the class. He's been busy finding a new vantage point each day! Can't spot him? Keep on scrolling...

Our Class Rules

- School Rules**
1. Take care of yourself!
 2. Take care of others.
 3. Take care of our school.

- The library rules**
1. Quiet
 2. Empty hands
 3. Look at the books!
 4. Stay quiet and still
 5. Listen carefully

Our School Council Members

Stop motion Science

Year 2 were using 2animate this week to create stop motion animations about how you can bend, squish and stretch different materials.

A MASSIVE Congratulations to Jimmy who was our star of the week this week. You are a superstar!

Thank you as always for all the support that you give at home each day whether it be reading, homework, spellings or going through Big Maths. It really does make all the difference.

All the best,

Mr Coppenhall
