

## Y6 Class News 5<sup>th</sup> – 9<sup>th</sup> December 2022

It's been another busy week in Year 6, as mentioned in last week's update this week has been assessment week and in Year 6 that means the children complete a lot of different style tests in the areas of reading, maths, grammar, spelling and science as well as assessments in their writing. Although we have not quite completed all our assessments yet I am immensely proud of the effort and maturity the children have shown. Well done Year 6!

In Science, we have completed our investigation into micro-organisms and have discovered that warmth is the best environment to grow mould. Unfortunately, the crumpet that was placed in the 'light environment' was misplaced and we believe that it was inadvertently thrown away. Perhaps someone in school thought the library wasn't a good place for a mouldy crumpet. In Design and Technology, we have been completing our patterns for our Christmas decorations and some children have even begun to use their patterns to cut out the fabric for their decorations.

On Wednesday we headed to the TA Barracks for a Crucial Crew event. This was a wonderful experience for all of the children as they got to find out about health and safety from many different companies and organisations. I was particularly pleased with their good understanding of internet safety when they were working with the police. Obviously their computing work on this topic, this half-term stood them in good stead when they were asked questions. Amongst other things, they had a session with Warrington Youth Zone when they found out about the many interesting activities that are offered at their Dallam Lane site. Today they have brought home a voucher for on free visit to the zone, although they would have to be members before attending and you can find out more about the Youth Zone by clicking this link: <https://warringtonyouthzone.org/>

Next week we will be performing our Christmas Carol Service, in St Oswald's Church at 6pm, on Thursday. The children need to bring their costumes in to school on Monday and they will be sent home after their dress rehearsal so that they can arrive at Church in their costumes on Thursday evening.

Have a fantastic weekend everyone,

Mrs Crook
