

Monday 27th-31st March 2023

Dear Parents and Guardians,

We do hope you enjoyed our assembly on Thursday, we enjoyed a well deserved treat afterwards.

This week was also assessment week, we are tracking progress in reading, phonics maths and Science. The children are working so hard and we are very pleased with them.

The felt puppets are nearly finished and next we are adding decoration and features to complete our fairy tale characters.

In Geography we have been finding out about hot and cold places on Earth and locating them on maps and globes. We know that the Equator is the hottest area and the North and South poles are the coldest!

We hope the Easter Bunny turns up for a surprise visit when we are busy enjoying our Easter Activities next week.

Until then have a lovely weekend with your families.

Many thanks ,

Mrs Furness

Tuesday 4th April

Please come and join us at 9.a.m in the hall for our Easter Bonnet Parade. Please make a bonnet at home it can be as simple or as creative as you like!
