

Reception News: Friday 10th November 2023

The children were thrilled to return to school after the half term break and were so excited to see each other. They had remembered all the routines and were keen to continue with their school learning.

This week the children shared 'Funnybones' and loved the story. They pretended to be the skeletons in our home corner and held a spooky tea party for their friends. While outdoors the children practised their CVC words either playing a skeleton game with a large dice with words on or going on a word hunt to find pictures that matched their list. The children are really trying hard to learn to read simple words! Well done

everyone!

In Maths the children have been learning to recognise circles and triangles in the environment around them. They are brilliant at spotting them and can even describe them

using vocabulary such as curved, straight and sides. Mrs Barclay was thrilled with their investigative work on

Wednesday when the children went on a shape hunt!

The children were inspired by their Bonfire Night experiences to create pictures of fireworks using paint and a computer paint

programme.

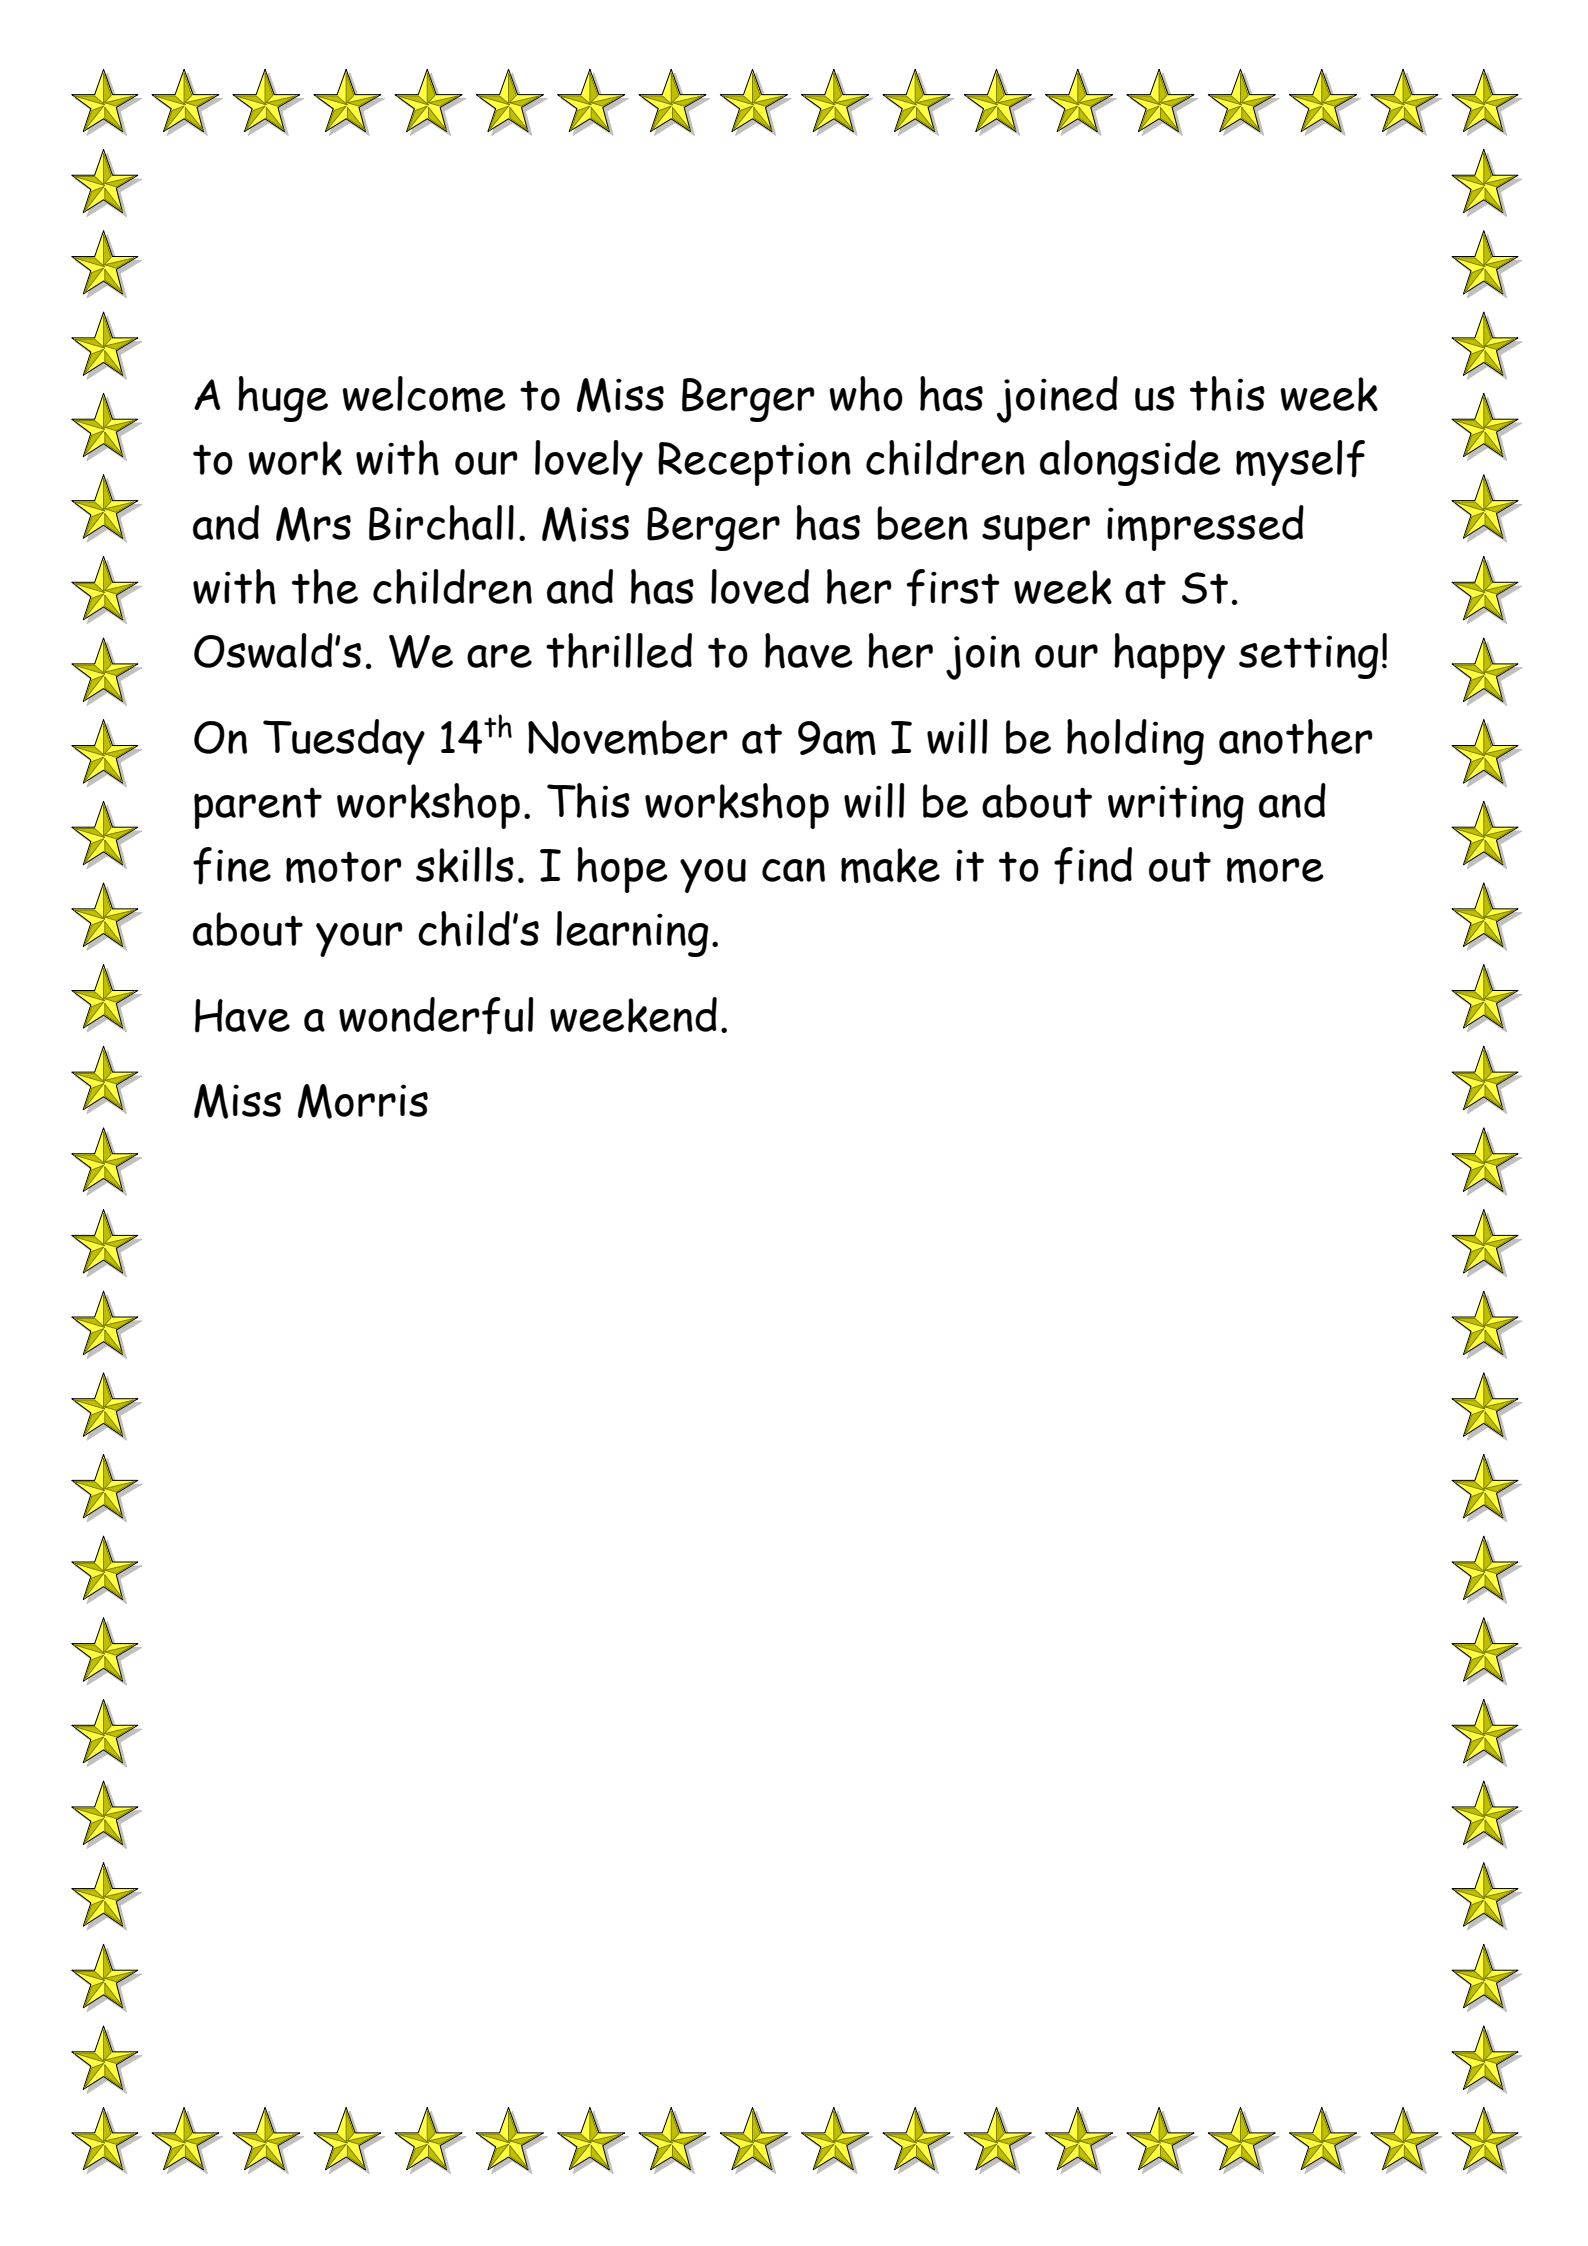

Today the children took part in a class based Remembrance Collective Worship. They made poppies using finger paints and took them to the carpet, ready to share in our quiet time. After reflecting about 'remembering people', the children placed their own poppy in the centre of the circle to make a wreath. We ended by remembering people special to us. Look out on Evidence Me for a photograph of the Collective Worship.

A big congratulations to Harriet for achieving Star of the Week for always being ready to learn. Well done Harriet, you are a superstar!

A huge welcome to Miss Berger who has joined us this week to work with our lovely Reception children alongside myself and Mrs Birchall. Miss Berger has been super impressed with the children and has loved her first week at St. Oswald's. We are thrilled to have her join our happy setting!

On Tuesday 14th November at 9am I will be holding another parent workshop. This workshop will be about writing and fine motor skills. I hope you can make it to find out more about your child's learning.

Have a wonderful weekend.

Miss Morris
